Rail Line Customers: Leave early. Leave late. Alternate.

Effective April 2007 — Addison

Due to construction, Brown Line, Purple Line Express and Red Line trains will operate on three tracks instead of four at the Belmont and Fullerton stations. Longer wait times and more crowded trains are expected particularly during rush periods.

To ease the impact on your commute, allow extra travel time, leave earlier or later, or try alternate transit service such as CTA buses:

- #8 Halsted
- #X9 Ashland Express
- #22 Clark
- #36 Broadway
- #80 Irving Park
- #X80 Irving Park Express
- #135 Clarendon/LaSalle Express
- #145 Wilson/Michigan Express
- #146 Inner Drive/Michigan Express
- #151 Sheridan
- #152 Addison
