

Davis, Dempster, Main and South Boulevard Alternative Bus Service

Legend

- Purple Line
- 93 CTA Bus Route
- 250 Pace Bus Route
- Metra Station
- Location of CTA Bus Stop

Rail Line Customers: Leave early. Leave late. Alternate.

Effective April 2007

Davis, Dempster, Main and South Boulevard

Due to construction, Brown Line, Purple Line Express and Red Line trains will operate on three tracks instead of four at the Belmont and Fullerton stations. Longer wait times and more crowded trains are expected particularly during rush periods.

Purple Line Express trains in the Loop will operate counterclockwise following the same route as the Brown Line on the Outer Loop tracks, stopping first at Washington/Wells and last at Clark/Lake.

To ease the impact on your commute, allow extra travel time, leave earlier or later, or try alternate transit service such as CTA buses:

- #93 California/Dodge
- #97 Skokie
- Pace #250 Dempster St.
- Metra-Union Pacific/North Line (Davis Street Station)
- Metra-Union Pacific/North Line (Main Street Station)
