

Skokie

Alternative Bus Service

Legend

- Yellow Line
- 97 CTA Bus Route
- 54A Part-time Service Only
- Location of CTA Bus Stop
- 250 Pace Bus Route

Rail Line Customers: Leave early. Leave late. Alternate.

Effective April 2007 — Skokie

Due to construction, Brown Line, Purple Line Express and Red Line trains will operate on three tracks instead of four at the Belmont and Fullerton stations. Longer wait times and more crowded trains are expected particularly during rush periods.

Purple Line Express trains in the Loop will operate counterclockwise following the same route as the Brown Line on the Outer Loop tracks, stopping first at Washington/Wells and last at Clark/Lake.

To ease the impact on your commute, allow extra travel time, leave earlier or later, or try alternate transit service such as CTA buses:

- #54A North Cicero/
Skokie Blvd.
- #97 Skokie
- Pace #250
Dempster Street
- Metra-Union Pacific/North Line
(Davis Street Station)
- Metra-Milwaukee District North Line
(Morton Grove Station)
