# Overview

CTA is your connection to and from Metra stations during weekday morning and evening rush periods. This brochure shows CTA bus and rail connections and the first bus/last bus times between Metra stations in the direction Metra customers are most likely to travel to and from Ogilvie Transportation Center; Union, LaSalle Street, Millennium, and Van Buren Street stations. Some routes only operate mornings and evenings (see\*) and most others operate daily, early morning through late evening, every 7 to 15 minutes. For a specific bus schedule, visit [www.transitchicago.com](http://www.transitchicago.com) or call 836-7000 from any local area code.
