# Overview of Wacker Drive Reconstruction

This stage of Wacker Drive reconstruction will rebuild Wacker Drive for improved traffic and beautification. Randolph and Washington streets between Canal and Wacker will be closed.

**Randolph Street:** Viaduct reconstruction will start at Randolph and head south.

**Washington Street:** Removal of ramp located at the intersection of Wacker and Washington. The ramp will be replaced with a landscaped median.

## Other Related Street Impacts

- Franklin Street will be a two-way street.
- Southbound access from Lower Wacker via Randolph will be closed to all traffic.
- Access to/from Congress will continue to be closed to traffic from Wacker.
