Flag Stops in Evanston

Although some stops in Evanston are marked with bus stop signs, areas without posted stops operate by "flag stop". In Evanston, passengers can board or exit the bus at any intersection along the route where it is safe to do so. To board at a flag stop, wait at a corner where a bus driver can see you and flag the bus as it approaches.

Supplementary service may be provided over portions of this route in addition to the trips shown. Please check destination signs and announcements when boarding buses.

The schedules and other information in this timetable are subject to change. CTA does not assume responsibility for errors in timetables, nor for inconvenience or damage resulting from delayed trains or buses due to weather, traffic conditions, etc.

CTA operating costs are funded in part through the Regional Transportation Authority, by the federal and state governments, and the City of Chicago and County of Cook.
