## Route #130 Grant Park Treasures

# GRANT PARK

## Treasures

NEW Bus Route #130

Chicago is blessed with one of the finest front yards of any American city. **Grant Park** and the lakefront are home to many of Chicago's finest cultural attractions, and during the year are the site of many of the festivals and exhibits for which the city has become famous.

Getting to **Grant Park** will be easier this year. Metra commuter rail riders or CTA riders going through the Loop will have new, direct service to the lakefront provided by a new CTA bus, route **#130**. We've called this route Grant Park Treasures because it takes you to places guaranteed to enrich your cultural, educational and entertainment experiences.

Taking the bus makes so much more sense than driving. You won't have to worry about finding a place to park or getting caught in traffic--not just in summer, but year round. By giving your car a mental health day you will be able to enjoy the ride rather than watching out for the other guy. And, you'll make a small contribution to improve the quality of Chicago's air.

Here's a sample of the events taking place in the area this year.
