

Overnight (owl) service

The N5 South Shore Night bus provides late night/early morning service on the most heavily traveled portions of several CTA routes during the hours these routes do not operate. The routes and portions served include:

#6 Jackson Park Express between 67th/Stony Island and 79th/South Shore

#15 Jeffery Local between 67th/Jeffery and 75th/Jeffery

#67 67th/69th/71st between 69th/Red Line station and 67th/Jeffery

#71 71st/South Shore between 75th/South Shore and 92nd/Commercial

#75 74th/75th between 75th/Jeffery and 75th/South Shore

#95 95th between 92nd/Commercial and 95th/Dan Ryan Red Line station

The night route compliments the regular routes to provide 24 hour round the clock service over the above route portions. Both terminals on the N5 South Shore Night Bus provide direct connections with the Howard-Dan Ryan Red Line trains at 69th station on the north and t95th station on the south.

Additional notes:

All CTA buses are accessible. For accessibility help or to report concerns at stops, contact CTA Customer Service at transitchicago.com/feedback.

Federal law requires priority seating be designated for seniors and people with disabilities. **Please stand up** and yield these seats when needed for qualifying riders or when asked.

Schedules and other info in this timetable are subject to change. CTA does not assume responsibility for errors in timetables nor for inconvenience or damage resulting from delays.

Pay close attention to destination signs and announcements when boarding: added service may sometimes be provided over portions of this or any bus route and some trips can end before the furthest terminal on a line depending on service needs or time of day.

Bicycle racks are installed on the front of all CTA buses and are allowed on CTA trains during certain hours. See our Bike & Ride brochure or webpage for help on how to use racks and more.
